

complex structure in the universe (e.g., trillion nerve cells & connections). Same w/eye, our DNA, & planet earth! We are mechanical & instructionally "coded" (DNA similar to computer coding) which requires a designer! Earth is also delicately designed so we are able to survive here; and the universe is orderly and operates by uniform laws of nature (e.g., gravity, 24-hr rotation, speed of light remaining constant, etc.). #25: PROPHECIES — A prophetic “fingerprint” of God! The odds of Jesus fulfilling 48 OT major prophecies is mathematically impossible (i.e., odds are 1 with 157 zeros after it). Jesus actually fulfilled 324+ prophecies! There are also numerous other non-messianic OT and other NT prophecies (e.g., temple destruction; birth of a nation [Israel] – 1948, etc.). [NOTE: The Bible contains 8,362 predictive verses/1,817 predictions/737 separate matters.]
